

Grade 3 Core, Strategic, & Intensive Maps (CSI): Fall to Winter Planning Map

Directions: Meet with your grade-level team to complete the following instructional map. The map includes instructional goals for months 1-5 and corresponding achievement goals (e.g., DIBELS progressive benchmarks). Use the instructional need indicators (core/benchmark, strategic, and intensive) by essential element (e.g., Phonological Awareness) to differentiate instructional details. When planning instruction review the assessment results to determine if student learning needs are due to a deficit of knowledge or a lack of automaticity of the skill(s).
