

Tips for Parents

Center for Effective Parenting

614 East Emma Suite 113

Springdale, AR 72764

479-751-6166

www.parenting-ed.org

1. Have a positive attitude about learning.
2. Set aside regular time and space for homework.
3. Support two-way communication between school and home.
4. Talk and listen to the child about school.
5. Make sure your child is well rested, well fed, and healthy.
6. Know your child's grade level requirements and graduation requirements.
7. Use the library and other community resources.
8. Support family learning through everyday activities.
9. Form relationships with the school and teachers and attend school functions.
10. Set aside daily family time.
11. Support your school by volunteering.
12. Set limits on behavior and discipline patiently.
13. Say "I love you" and "yes" as much as you say "don't" and "no".
14. Meet your child's friends and get to know their parents.
