Arkansas Department of Education
Public Charter School Office
Four Capitol Mall, room 105-C
Little Rock, AR 72201

To Whom It May Concern:

It is the intent of the Springdale School district to apply for a District Conversion Public School Charter.

This charter application is for the current Springdale Alternative Learning Environment which, if approved, would be renamed Springdale Charter High School. The school is located at 500 East Meadow Street in Springdale and would serve students in grades nine through twelve.

Note: At this point, our district is actively seeking a larger facility in order to serve additional students (and possibly additional grades). Depending on the outcome of our search, it is possible that the name, address, and grade configuration of the proposed school could change.

The purpose of the school will be to serve students who have experienced difficulties in traditional school settings. Those difficulties fall into the areas of subpar academic performance, poor attendance, negative interactions with peers, and a variety of issues related to the home environment.

The contact person for this initiative is:

Dr. Don W. Love
Assistant Superintendent
804 W. Johnson Avenue
Springdale, AR 72764

Phone: 479-750-8800, fax: 479-750-8814, email: dlove@sdale.org

Sincerely,

Jim D. Rollins, Ed.D.
Superintendent
Springdale Schools
