THIS AREA CANNOT BE ADDED BY TESTING ONLY.

School districts seeking to employ teachers to teach out of field (not in the field in which the teacher is currently licensed) will use the Additional Licensure Plan (ALP) to meet that need. School districts may use the ALP process to address unusual emergency situations when licensed teachers are asked to teach in areas/levels for which they are not licensed. School districts may not exceed the three-year limit without possible penalty. Teachers must meet the following conditions:

Eligibility guidelines:

- possess an initial or standard teaching license,
- seek to add this area of licensure or endorsement, and
- be assigned to teach in this area rather than the one for which they are currently licensed.

The additional area of licensure will be added to the credential when all licensure requirements are successfully completed and application is submitted. If “testing out”, test score must be attached.

Teachers assigned to teach in a field that is out of their current level of licensure must complete an approved performance-based program of study, as defined by an Arkansas university, and pass the required assessment(s) for the new licensure area. The application, when submitted, must bear the signature of the university’s Licensure Officer verifying completion of their program of study. Test score(s) and transcript must be attached.

Required assessments:

- **Praxis II: Principles of Learning and Teaching, test #0521 (P-4) Passing Score 159 OR #0523 (5-9) Passing Score 164 OR #0524 (7-12) Passing Score 164**

NOTE: Test at a Glance (TAAG) study guide booklets are available on line from www.ets.org/praxis/prxar.html. **Any teacher wishing to take any Praxis assessment is strongly encouraged to obtain these study materials.**

- The employing district authority will sign and file this ALP form with the ADE Office of Professional Licensure **within 30 days of the out-of-field teaching assignment**, thus documenting the above statement..
- The employing district understands that a teacher will have no more than three calendar years from the date of filing with the ADE to meet full licensure requirements for the additional licensure or endorsement being sought.
